

HEADSHOT SESSION INFORMATION

blue eyed entertainment

Hello! First, thank you for trusting us with your or your child's headshots. We know the importance of good headshots, and our goal is to get the best ones for you! Here are a few things you should know before your session:

CLOTHING:

Choose shirts, tanks, dresses, jackets that fit well, and aren't too big. If in doubt, go smaller. Select colors that compliment the eyes and skin tone. You know what you or your child looks good in. Bring a variety, but don't overwhelm with choices. Make sure items are cleaned and pressed. It's nearly impossible to Photoshop wrinkles out of clothing. Stay away from logos, crazy patterns and neon. Layering can be great. I like bright, POP colors (ex: orange, hot pink, bright blue) for commercial shots, and more muted colors for print and theatrical headshots.

LOCATION:

The Historic Gas Co. - 810 S. Flower St #1115 Los Angeles, CA 90017. There is parking directly across the street (\$7) or metered street parking. Buzz 1115 at the door or the doorman will let you in.

Please do not hesitate to call or text me at 310-310-0318 if you need further directions.

PRICING:

Current pricing is \$300 for 3 looks of your choice, which includes 3 edits and online proofs. Any additional edits will be \$50 each.

50% deposit required up front via Paypal:

kit@blueeyedentertainment.com, or by cash/check.

The remaining amount is due in full the day of photoshoot.

You will receive your photos within 7 business days after the shoot.

HAIR & MAKEUP:

Please arrive with clean hair, skin, nails, and a good night's rest. Drink extra water... skin and lips look best if you are hydrated. Wear something easily removable over "done" hair and makeup (ex: button-down shirt, large v-neck, etc.)

WOMEN: I encourage a Hair and Make-Up artist for women, which we have in-studio. However, if you are good at doing your own hair, then that is great. It's best to have the hair and make-up from your headshots match how you look at the auditions.

In-studio professional hair and make-up - \$75

MEN: We can do grooming and light make-up.

In-studio professional hair and make-up - \$40

GIRLS: Girls hair is very important. We offer in studio hair and makeup.

In-studio professional hair and make-up - \$50

BOYS: Usually Mom and I can handle the boys hair, and light make-up can be done in-studio as needed.

In-studio professional hair and make-up - \$20

*Email me with any questions, or if your child has any food or cosmetic allergies we should be aware of.
